Activities

For a Shining Moment,

Below: "Simpletons" cheered on teammate Nancy Rager as she began to take off on the mini-trike course. *Right:* Senior men pulled to keep from getting cooled off in the Kenapoc. *Far below:* The "Official Pace Car of the Indy 500" paced the Spartan peddle pushers as they started the "Manchester 25".

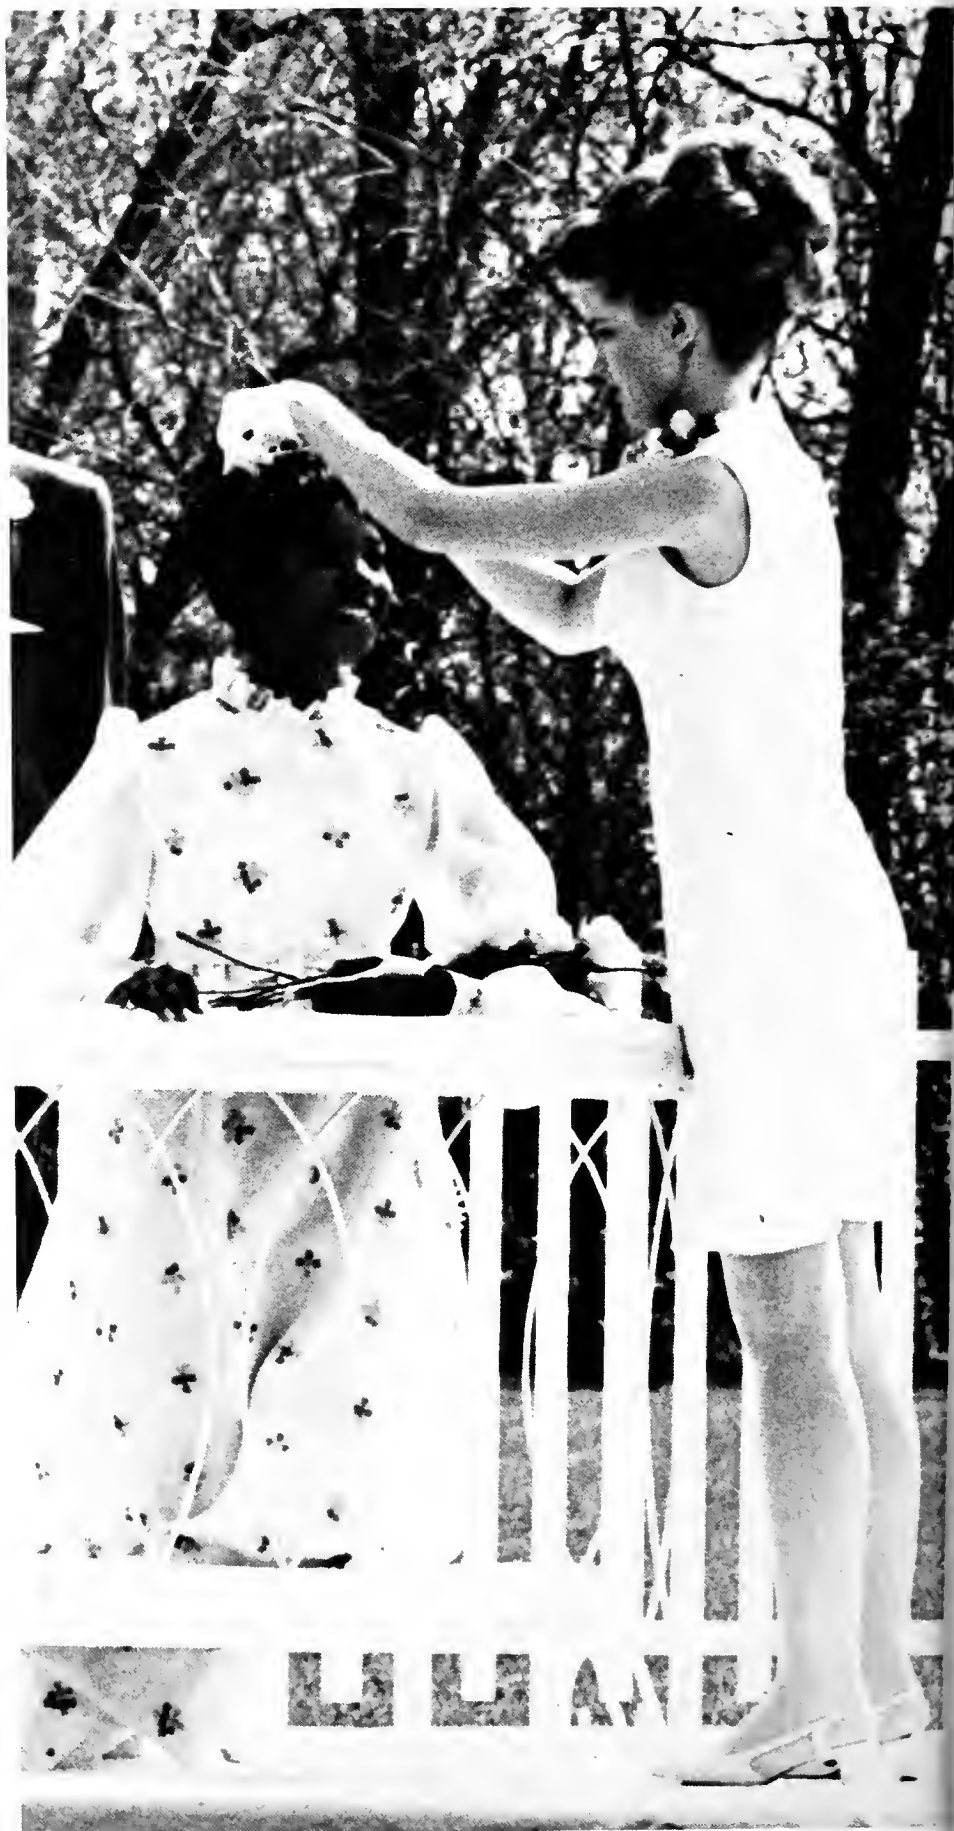

There Was a Camelot

Upper left: WRA's quest was for harmony at an international round table. Middle left: The Freshman class float was complete with castle and royal pair, Susie Klooze and Denny Bechtelheimer. Lower left: "MC's Yellow Pages", winners of the costume contest, and other mini-trike teams peddled along the parade route. Above: Rex Wieland clowned it up on East Street.

Miss Sue Wells, a dietetics major from Madison, Indiana, received the honor of reigning over May Day celebrations. Her reign began as Miss Jane Henney, 1968 May Queen, placed the crown on her head.

Her Majesty and Royal Court

Upper left: Celia Stinebaugh escorted by Forrest Bedke. *Middle left:* Becky Stone and escort John Flory. *Lower left:* Maid of Honor Connie Eubanks and Jeff Plank.

The Queen of the May is selected from four junior candidates. Ladies in waiting and their queen for 1969 were (standing) Celia Stinebaugh, junior; Becky Mann, freshman; Judy Thrush, sophomore; Becky Stone, junior; (seated) Connie Eubanks, junior; Queen Sue Wells, junior; and Barb Blum, senior.

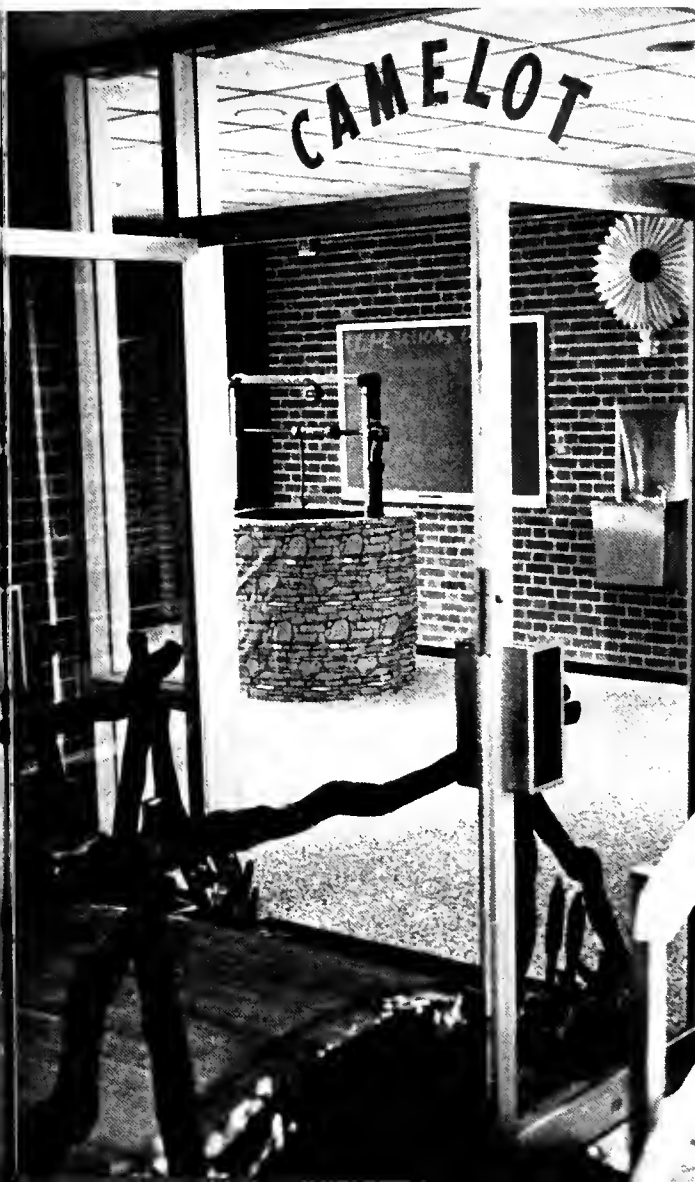

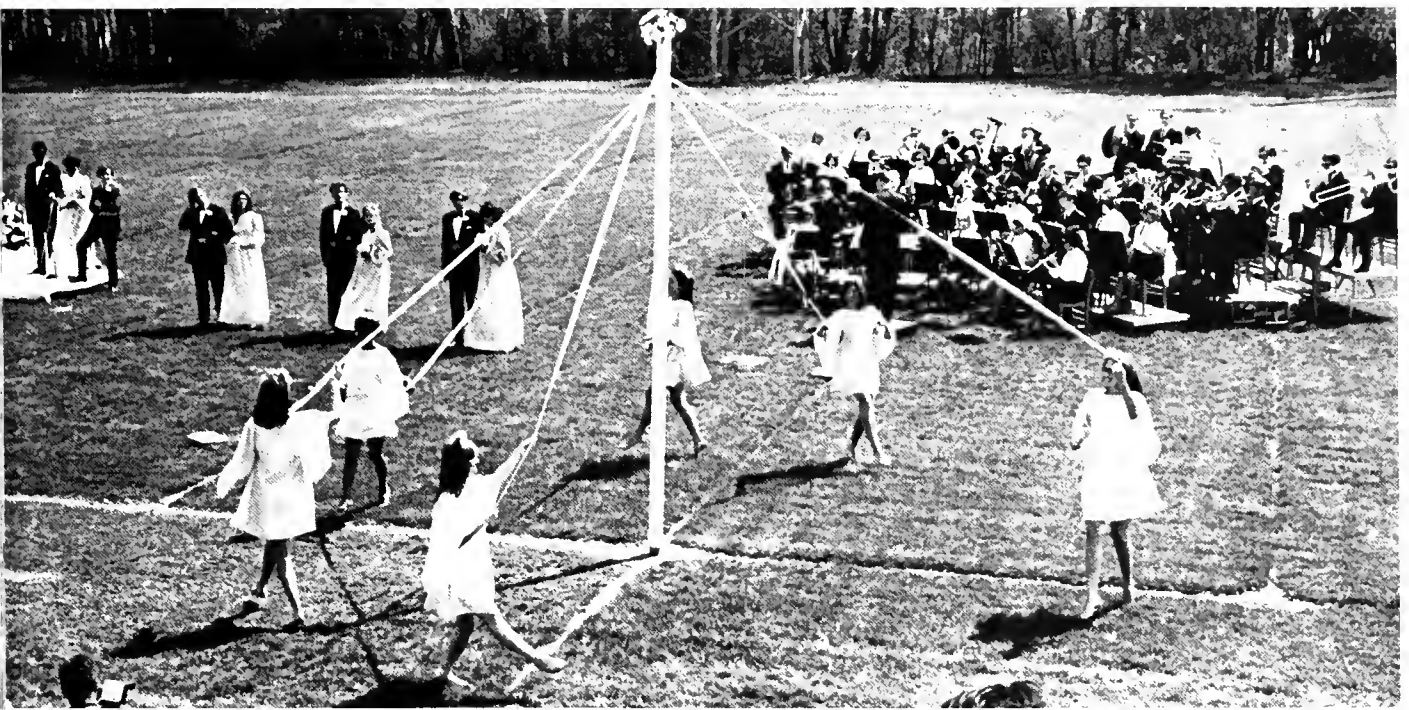

It's May! It's May!

After the coronation, her majesty Queen Sue presented awards to winners of the mini-trike race, Spartan Spoke-Tacular, and the float contest. Receiving a trophy at right for Oakwood's float is Peg Hudson, social chairman. The Symphonic Band presented various selections including numbers from "Camelot" and also played during the traditional May Pole dance.

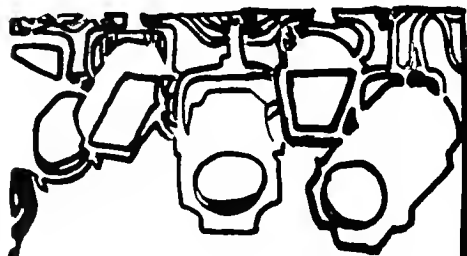

Following ceremonies, Becky Rust and company presented "The Little Theatre" on the Union patio. Those who entered the Union found it transformed into King Arthur's castle, Throne

Room and all. "King Arthur's Court" was moved to the Oaks on Saturday evening where musicians and jesters entertained the king and his guests.

Right: Steve Smith, Breakaway King and Freshman candidate. Lower right: J.D. Wagoner, Sophomore. Below: Mike Olivotto, Junior. Lower left: Darrell Reed, Senior.

Breakaway weekend kicked off with girls taking over the football field for powder puff games. Victors of the contests were members of the Senior class. Girls who fought "yellow fever" went to see *The Great Race* and danced to songs by the "Chocolate Spiral" after the movie. Scenes from the Beatles' adventures in *The Yellow Submarine* set the style for the weekend.

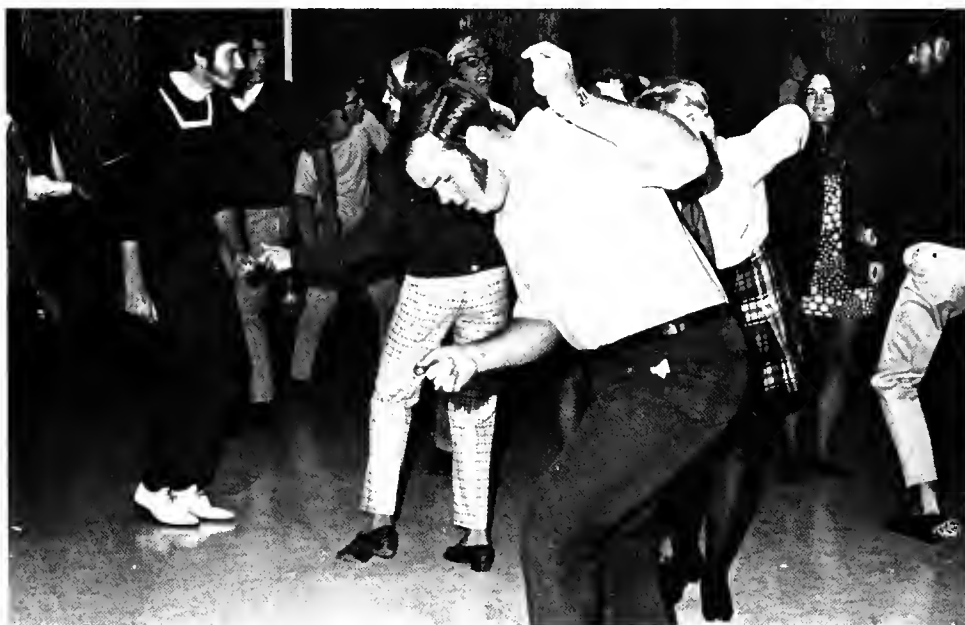

Right: Students danced to the sounds of the "Chocolate Spiral" from IU. Below: Steve Smith, with Beth Mann, after being named Breakaway King.

Saturday afternoon featured an away game with Anderson. An evening concert, the *New Christy Minstrels*, and an informal reception following the concert concluded the "girl-ask-guy" weekend. Above: Joyce Malott, Marj Helstern, and Mary Ellen Zinsmeister received autographs and met a member of the group at the reception.

Camp Mack Day Gets Early Start on Year's Activities

"Departure for the camp will be at 7:15." That's what the Oak Leaves said and that's how MC's traditional first all-campus activity of the year begins. After breakfast and announcements, the sleepy "campers-for-a-day" begin to wake up and fun takes over. Volleyball, four-square, re-

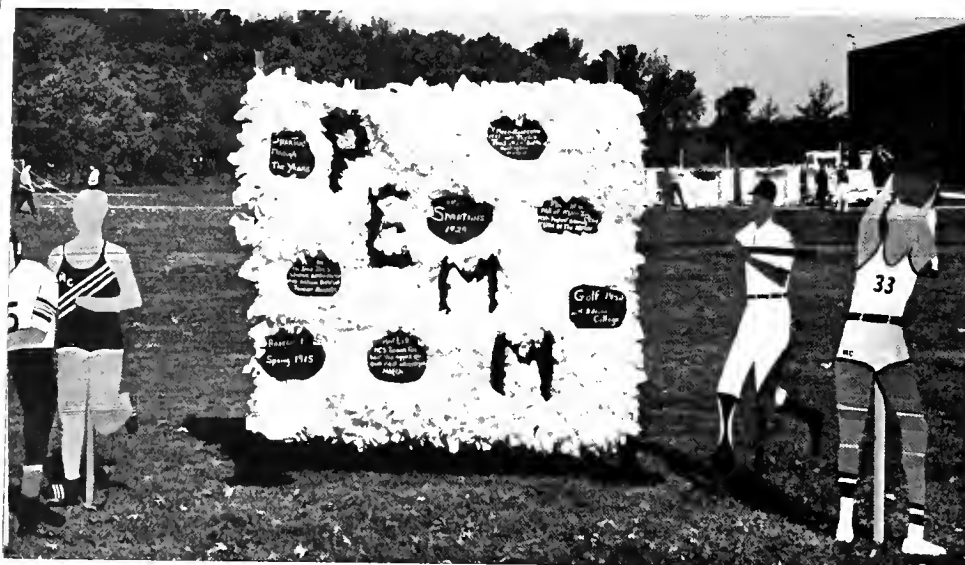

lay races, boating, swimming, maybe a card game or nap under the pine trees, beating your favorite faculty members at baseball—you name it and that's what happens when classes are called off and everyone heads for Camp Mack.

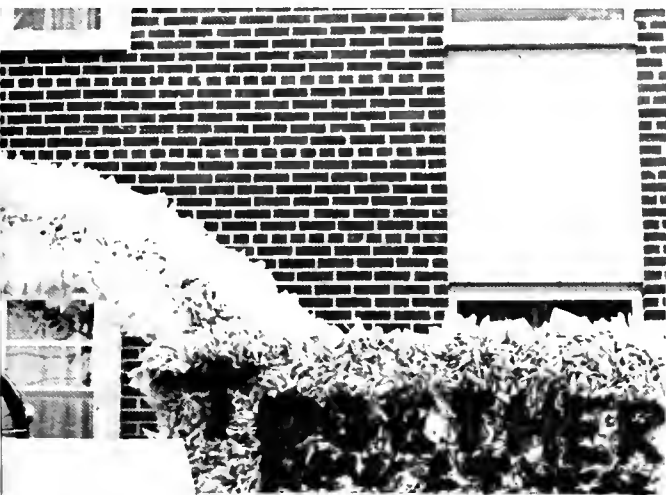

"Those Were the Days"

Homecoming displays carried out the theme of the weekend, "Those were the Days," and were judged early Saturday morning. *Far below:* The winning entry, "Freud's Train of Thought," was sponsored by Psychology Club. *Below left:* Pemm Club's display highlighted Spartan sports through the years. *Below right:* The men and women of Northeast Hall combined their talents in "Together, Now and Then" for their first joint effort of the year. *Opposite page lower left:* Steve Whistler, wearing a Homecoming derby, took first place in the moustache division.

Dedication of the United Nations Flag was held Saturday morning, the day following the anniversary of the establishment of the UN. A reading of the preamble of the UN was presented by MC students representing Bolivia, Nigeria, Switzerland, and the United States. Speakers at the dedication included President Helman, Dr. Johansen, and Mr. Tom Hurst. Other highlights of Saturday's activities included alumni banquets and a beard and moustache contest held in the Oaks.

Queen Joyce Reigns Over 80th Homecoming

Although spirit of both students and alumni was high, MC couldn't quite take the Taylor Trojans and fell to defeat by a score of 14-12. Taylor also dealt losses to the cross country team and tennis team, but the Homecoming crowd was still "up" for remaining activities.

Left: Miss Joyce Malott was crowned 1969 Homecoming Queen at half time of the football game. The new queen is an elementary education major from Stanley, Wisconsin. Her escort for the day was Dennis Steinhilber. *Below:* The Homecoming Court includes three seniors from which the queen is selected and an attendant from the other classes. This year's court members were (standing:) Donita Shepard, senior; Mary Ellsworth, freshman; Barb Eiler, junior; (seated:) Mary Kaehr, sophomore; Pam Brill, senior; and Queen Joyce Malott.

Paradise Lost . . . or

Dad's were the special guests of honor for a day and received recognition at the football game with Earlham. A chance from past Dad's Days let the whole family dine together at the buffet dinner in Oakwood. The day was brought to a close with the production "Daddy's Gone a Hunting"; or, "Paradise Lost on Mount Olympus", written and directed by Bruce Curless. This musical comedy was based on mythological characters and centered around young Apollo's search for a perfect mate upon reaching his twenty-first birthday.

Opposite page upper right: The finale brought the entire cast on stage for a mad chase scene. *Opposite page upper left:* Sue Dickey, as Daphne, was the object of Apollo's search. *Opposite page lower left:* Statues Lana Huff, Tim Henderson, and Cindy Dubble came to life in song. *Below:* Jove, Denny Bechtelheimer, and Juno, Sandy Miller, were Apollo's quarreling parents. *Far below:* Barb and Bruce Curless as Io and Argos as they sang "If you could see her through my Eye".

Below: Seated: JoElyn McGowan (Director), Sandy Miller, Celia Stinebaugh, Jan Long, Rebecca Rust, Charletta Wion, Lucina Eshelman. Standing: Dave Carson, Dennis Bechtelheimer, James Wion, James Zubiena, Karl Schrock.

The Christmas Chorale featured organized choral groups on campus. Women's Glee Club, singing a ceremony of carols, was followed by Chapel Choir. A Cappella Choir performed the "Magnificat" by Pergolesi. All three choirs combined during the second half of the concert along with a brass ensemble for the presentation of "The Christmas Story" by Nelson.

Christmas Season Celebrated in Song

Following a 16th Century English tradition, the Madrigal Dinner has become a traditional Christmas celebration at Manchester. The festive dinner is complete with the burning of the Yule log, toasting from the Wassail bowl and the procession of the Boar's Head. This year's Madrigal singers brought out their singing skill while joyfully celebrating the coming of Christmas.

Public Programs Highlighted Cultural Events

Right: Widely recognized as America's finest singing group, the Roger Wagner Chorale presented an outstanding concert which demonstrated their mastery of styles ranging from great religious music of the past to folk songs. Another unforgettable feature was the alertness of Mr. Wagner toward his audience. *Opposite page left:* Shown are two members of the National Players, the longest-running national classical repertory company in America today. In their ninth annual appearance on campus they offered Shakespeare's *King Lear* and Frye's *The Lady's Not for Burning* on two consecutive evenings.

Above: The National Ballet, "America's Classical Ballet," graced the Manchester auditorium on January 28, 1970. Their repertoire is a delicate balance of classic ballets and new, daring, and adventurous productions.

Right: Under the direction of Izler Solomen, the Indianapolis Symphony performed music with the richness, warmth and powerfulness which has earned them the comment by Winthrop Sargent of *The New Yorker* as being "... one of the most magnificent orchestras in the country..."

Left: Buckminster Fuller, best known for his "geodesic dome", brought his mind (that refuses to believe there is anything that cannot be done) before students in the fifth program of the series.

Manchester Finishes 3-5; Belts IC

Manchester's defending champion Hoosier College Conference football Spartans experienced a frustrating football season. The Spartans posted a 2-4 conference mark and a 3-5 slate overall. Manchester placed three men on the all-HCC squad. Spartans on the honor squad were senior halfback Rob Gratz, senior tackle Phil Krieg, and junior end Kent Stump. Co-captains for this year's squad were seniors Mike Kelly and Claude Markstahler. Gratz was selected the team's MVP while Krieg won the Rotary Sportsmanship Award.

The Spartans got their first conference win with a convincing 41-8 pasting of the Indiana Central Greyhounds. Rob Gratz started the scoring to give Manchester a 7-0 lead at the first stop. The Spartans took a 20-0 lead into the dressing

room at halftime on touchdown passes from Mike Kelly to Kent Stump and Tom Schenkel. Manchester's only scoring in the third quarter was a Mike Kelly scamper around left end for six points to cap the drive and give the Spartans a 27-0 lead.

Indiana Central recovered a Spartan fumble and scored on the next play from scrimmage and added a two-point conversion. The Spartan defense took charge for the rest of the game as Bob Bollinger picked off a pass and ran untouched into the end zone. The alert defense then recovered a Greyhound fumble and with nine seconds remaining in the game, Denny Hunt found Bill Walton in the end zone to give the Spartans a 41-8 Hoosier College Conference victory.

MC Crushes Olivet 34-14

The Spartans started their season on the right foot by downing Olivet by a 34-14 score. The game was scoreless through the first period but a 26-yard scamper by Rob Gratz gave the Spartans a 7-0 halftime advantage. Olivet returned the second half kickoff for a touchdown to knot the score at 7-7. Gratz's one-yard plunge gave Manchester a 14-7 lead at the end of three quarters. The Spartans exploded for twenty points in the fourth stanza to notch a 34-14 victory.

MC fullback Ted Striverson (32) picks his way through the Earlham defense. Ted riddled the Quaker defense with his devastating power all afternoon as the Spartans got one for their Dads.

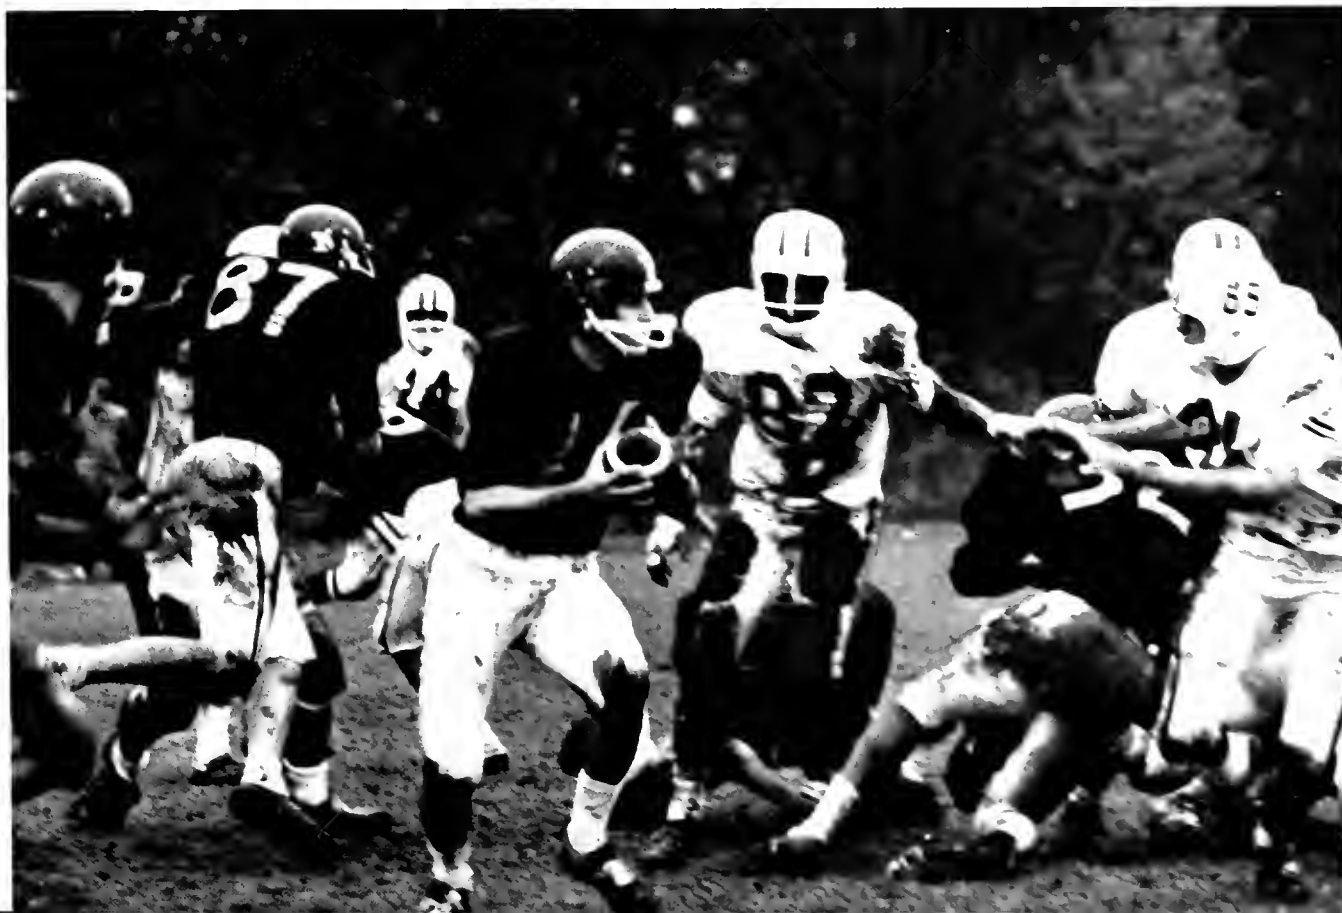

Spartans Trip Earlham 21-8

Manchester scored a decisive Dad's Day victory by romping over Earlham 21-8. Marty Rose recovered a Quaker fumble on the Earlham 44 yard line. Six plays later Rob Gratz broke through the line for six points. Early in the second quarter the Spartans mounted another scoring drive which was capped by Mike Kelly's four-yard plunge to paydirt to give the Spartans a 13-0 lead. Earlham's only scoring of the day came in the second quarter on a blocked punt which was recovered in the end zone. The two-point conversion was good, but Manchester still had a 13-8 halftime advantage. The Spartans completed the scoring early in the fourth quarter. The Spartans mounted a 30-yard scoring thrust with Gratz's nine yard ramble capping the drive. Mike Kelly passed to Bill Walton for two points and a 21-8 win.

Taylor's Trojans spoiled Manchester's Homecoming by upsetting the Spartans by a 14-12 score. Taylor struck first for a 7-0 lead. Rob Gratz scored on a 12-yard broken play to make it 7-6. After Taylor scored to make it 14-6, Rob Gratz scored again on a five-yard plunge with 26 seconds remaining. Taylor stopped the two-point extra point try for the win.

Spartan tackle Larry Noffsinger (75) takes a breather to talk over offensive strategy.

Manchester Netters Post Fine 5-1 HCC Record

Manchester's netmen narrowly missed again in an attempt to dethrone Taylor as tennis kings of the Hoosier College Conference. The Spartans compiled a 5-1 conference mark for a second place finish behind Taylor's unblemished 6-0 mark. Besides their 6-3 setback to Taylor, the Spartans only other loss was a 5-4 decision at Goshen. Manchester later avenged this loss to compile a fine 9-2 record overall. Coach Jerry

Royer's team was led by juniors Dan Shull and Doug Williams. Sophomore Reed Gratz held down the third spot while freshman John Holsinger, senior Bob Armstrong, and junior Bob Grawcock rounded out the top six. Shull, besides playing in the number one singles, won the Harry Sommer Award as the team's most valuable player.

Spartan Harriers Capture Third Place in Conference

Led by captain and Most Valuable Runner Mike Stine, the Spartan cross country team completed another successful season by copping third place in the Hoosier College Conference cross country meet. Manchester finished with a 2-3 conference record and a 4-3 mark overall.

The Spartans competed in the Butler, Taylor, and Earlham Invitationals. Manchester finished fourth out of five teams in the Butler meet. In the

Taylor Invitational the Spartans finished fourth in a field of ten teams. The Spartans came out of the fifteen team Earlham meet with a fifth place finish.

In the Indiana Intercollegiate Athletic Association meet the Spartans finished third among NAIA schools, ninth in Big State, and fourth in Little State.

Newly Formed Soccer Club Captures Two Wins in Four Tilts

Soccer began its first season at Manchester College this past fall. A soccer club was formed in an attempt to bring some attention to the sport and to build a framework for the possible initiation of soccer as a varsity sport at Manchester. The club was headed by Hyedima Bwala (Pres.), Fuad Hammoudeh (Vice-Pres.), and Wolfgang Klooss (Sec.).

In its first season of competition the team won two of four games. The Spartan kickers de-

feated Indiana-Purdue Fort Wayne, 2-1, and Indiana Tech.'s Junior Varsity by a 14-0 score. The Spartans lost to Huntington's Varsity by a 1-0 score and to a combination of Goshen's Varsity and Junior Varsity teams by a 4-1 count. Co-captains for the team were Fuad Hammoudeh who organized the defense and Vic Benalcazar who headed the offense. Although there was no coach, the team was assisted by Coach Wolfe and Dr. Khan.

Roundballers Face Rebuilding Season

The Manchester Spartan basketball team faced a rebuilding season. With Phil Krieg and Jerry Kiracofe the only seniors on the roster, Coach Wolfe used many underclass players. Among the top underclass roundballers were junior Willie Stubbs and sophomores Andy Butterbaugh and Jim Weaver. Top freshmen on the varsity were Ken Ballinger, Kraig Ahfeld, Steve Smith, and Dave McComb.

As of January 17th, Manchester was leading the conference in team rebounds. The Spartans were averaging 50.4 rebounds per game. Senior Jerry Kiracofe was the third leading rebounder in the conference averaging 9.9 caroms per game.

Top prospects on the junior varsity squad were Don Wilkins, Kenny Gillan, and Larry Nielsen.

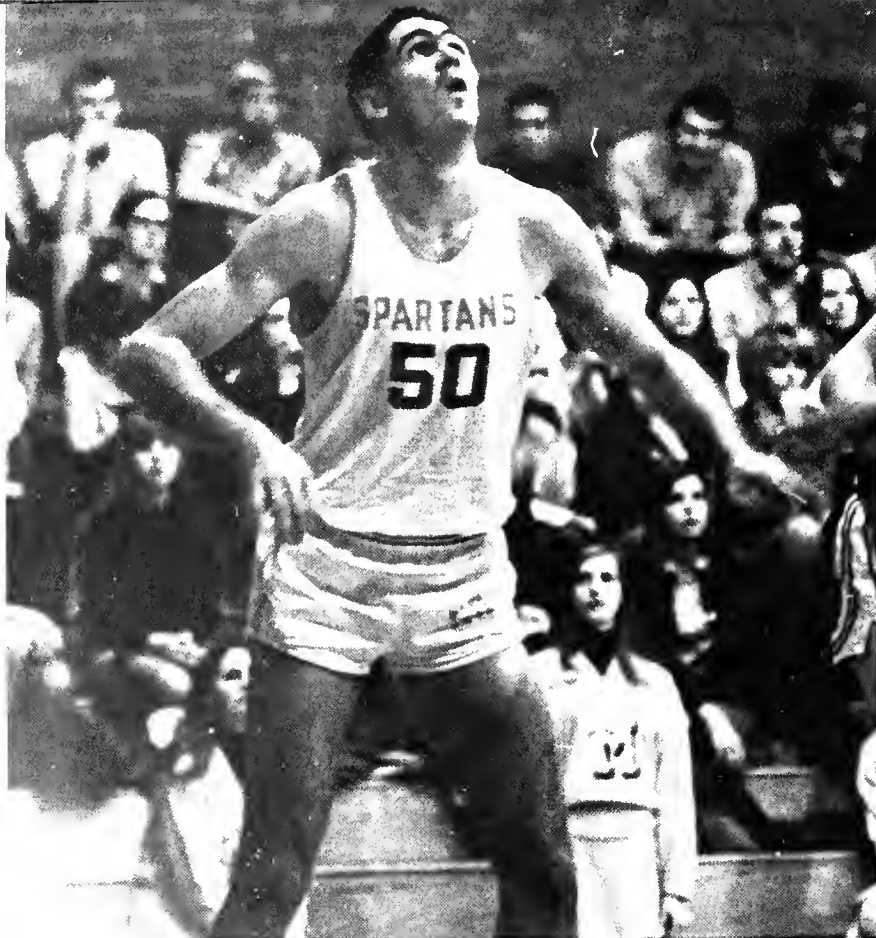

Senior Jerry Kiracofe outleaps opponents to tip in a rebound.

MC Mixes Veterans and "Rookies"

From the successful 12-1, 1968-1969 season, the Wrestling Spartans returned seven veterans for the 1969-1970 season. These veterans brought with them some interesting records among which was a third place in the annual Hoosier College Conference Wrestling Tournament, a first place by Vic Benalcazar, seconds by Reed Gratz and Rich Strom and a third by Al Johnson. Rich Strom set the best season record of 18-2 and Vic Benalcazar was most valuable. These veterans along with Neil Bendsen, Herb Bayer and Dan Shull returned for a challenging 1969-1970 season which was composed of the most difficult schedule that the team has yet had. The twelve promising freshmen rallied with the lettermen while Vic and Rich co-captained the team.

Thinlies Finish 24-3, Second in HCC

Manchester thinclads finished their finest season in several years and best since Coach Meek has been at MC. A second place finish in the conference and a record of 24 wins and 3 losses gave the fans much to cheer about. The highlights of the season were winning the Ohio Northern Relays and the May Day rout. The team was not without its great performers and record holders. Mike Stine set a new MC record in the two mile run with a 9:43 clocking. Rob Gratz set the record book straight in the triple jump with a leap of 48'7", and Jerry Walther bettered his own high jump record to 6'5¼". The 440 yard relay team consisting of Jim Andrews, Ron Garman, Denny Partridge, and Jerry Walthers set a new school mark with a 44.1 clocking. The 880 yard relay quartet of Ron Garman, Russ Wysong, Bruce Frantz, and Jerry Walthers also set a new school standard with a time of 1:32.5.

Rob Gratz, a consistent performer, won the conference long and triple jump. Robin set a new school record in the triple jump at 48'7" and was a representative in the NAIA meet in Billings, Montana, where he placed 6th in the triple jump.

Steve Ballinger, though hampered with injuries most of the season, was not to be beaten in the conference. Steve saw his lifetime dream of a 16 foot vault fall apart as injury compounded injury. Steve, the school record holder in the pole vault at 15'1", closed out his career by placing sixth in the NAIA meet with a 15' vault.

Spartans Finish Low After Good Start

The Spartans suffered through a disappointing season in 1969 as they finished with a 5-16-1 record. The highlight of the season was the big doubleheader win at Taylor. The Spartans took the first game in a tight defensive battle by a 2-1 score. The sweep was completed with a 5-4 victory in the nightcap. The Spartans could win no more conference games and finished with a 2-10 conference record.

Dave Barhydt was the workhorse of the Spartan mound corps as he pitched 72 innings, winning three games while losing seven. Jerry Greeson led the team in batting with a .329 average. Harold Conley was second with a .306 mark. Seniors Denny Herman and Jerry Spencer closed out their careers with identical .302 averages. Senior third baseman John Knauff was selected honorary captain for the team.

Workhorse hurler Dave Barhydt shows grim determination as he unlooses a fastball. Dave hurled 72 innings for the Spartans for a 4.63 ERA.

Freshman Leads MC Linksmen

The 1969 Manchester College Golf team was paced by freshman Andy Butterbaugh. The lone senior on the squad was Bob Gaier. The rest of the team was composed of sophomores Rex Wieland, Steve Shumaker, Steve Lees, and freshman Larry Booz. The golfers finished with a respectable 8-5-1 record overall and a 2-2 conference meet. One of the highlights of the season was the Taylor match in which Andy Butterbaugh became the first man in 22 years to shoot par golf in competition at the Blackford Country Club.

Women's Sports Draw Enthusiasm

Extramural:

An opportunity for women to participate in extramural activities has increased over the last couple of years. Bowling, Softball and Track and Field were added to the list of Basketball, Badminton, Tennis and Volleyball.

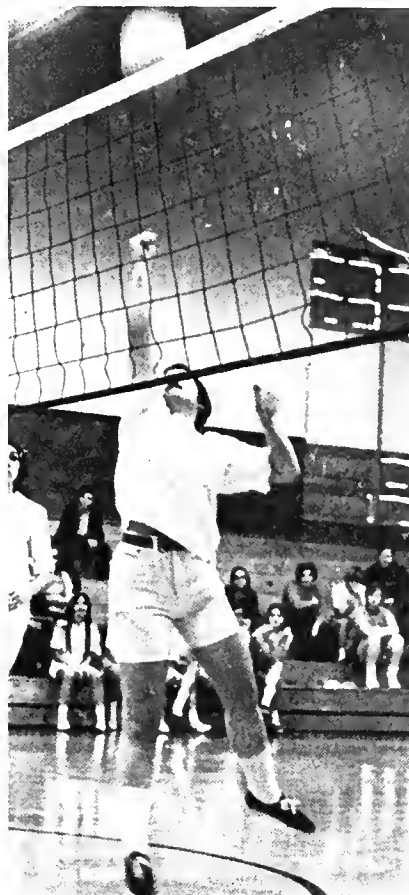

The Volleyball team has a good nucleus of upperclassmen returning which promised a good year. Their schedule included playing Ohio State, Indiana University, Ball State and Purdue.

The Basketball team is in a rebuilding stage with three freshmen on the starting line up. At the present, experimental rules, playing full court and five-man ball has given the game a new style.

Intramural:

Badminton and Volleyball were offered in the Intramural program for women. Nearly thirty girls participated in the badminton games while over two hundred MC women were participators in the Wednesday night Volleyball games.

EDITING STAFF ATTENDED CONFERENCE IN NEW YORK

In October staff members Wayne Gerard, Karen Horn, Pat Brewer, and Don Apple flew to New York to spend a weekend. The purpose of the trip was to attend the national yearbook conference at Columbia University. The conference included lectures on various areas of yearbook production and a display of award winning 1968-69 yearbooks. Spare time was spent sightseeing and attending a Broadway play. The conference concluded with a luncheon at the Waldorf-Astoria.

Once again a new group of editors put themselves to the task of rejuvenating the *Oak Leaves* and making it relevant to fifteen hundred different minds—a big oak for such a small acorn.

The size was reduced to conform with other school publications like *Weekly Reader*. Offset printing was then used extensively for inserts. The most popular insert was the Spart'n Spoof game in the classic first edition of the *Joak Leaves*.

This year also marked the on-scene reporting by all four editors at an off-campus news event, the November Vietnam Moratorium march in Washington, D.C. The group returned with several hundred photos, pages of notes, rolls of tape recordings, and four snoots full of tear gas.

Though some may think it is acorny paper, it is really just the *Oak Leaves*.

Forensic Union

The Manchester Forensic Union provides experience for both the beginning and advanced student in debate and individual speaking events. Members compete in many tournaments in mid-western United States as well as plan and participate in activities on campus. This year the group sponsored a debate tournament in the fall and an individual events tournament during the winter.

Psychology Club

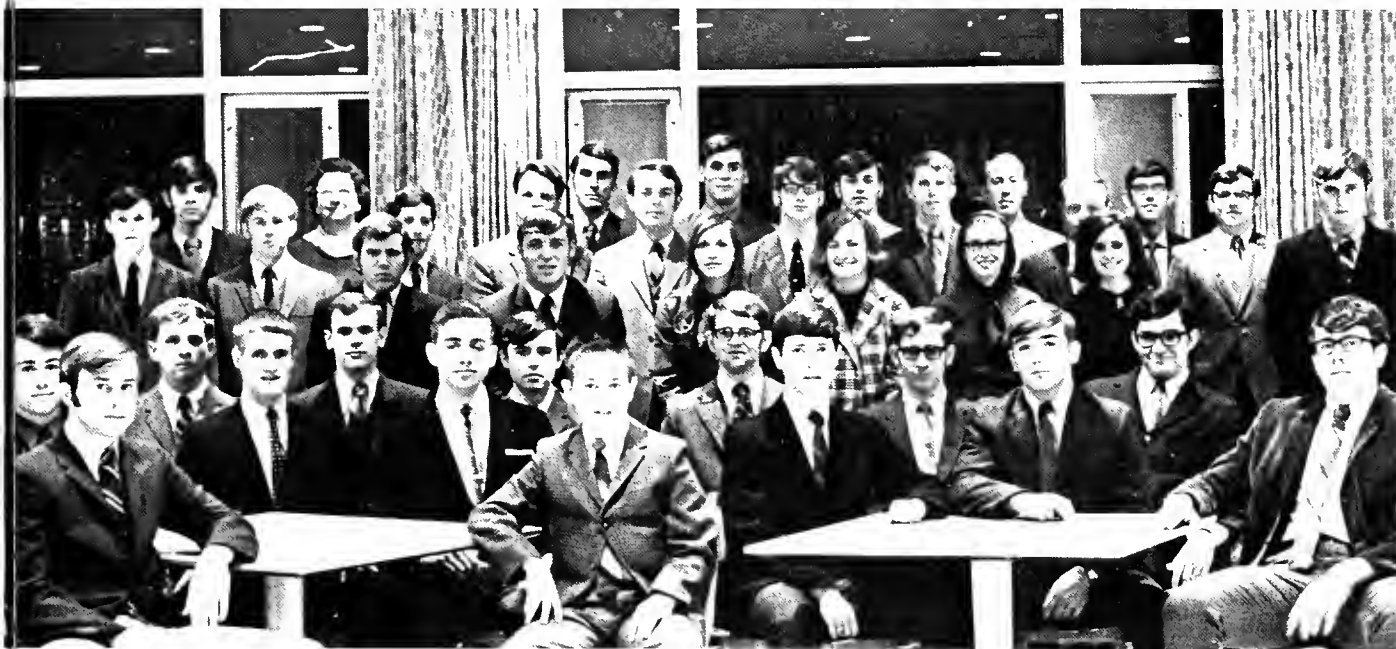

The Psychology Club included programs on the use of the computer, culture shock and experiences of club members during interim. One of the high points of the year was the state school Christmas party in which about 15 of the club members took a Christmas program to the school and shared it with a ward of 40 middle-aged men.

SEA is an affiliate of the Ind. State Teacher's Assoc. They provide information and experience to prospective teachers. The club brought in speakers who dealt with current problems of teaching. Russian education was the first topic of the year discussed before the group by Dr. John Young of Ft. Wayne. Robert Thornberry from the Amer. Federation of Teachers commented on

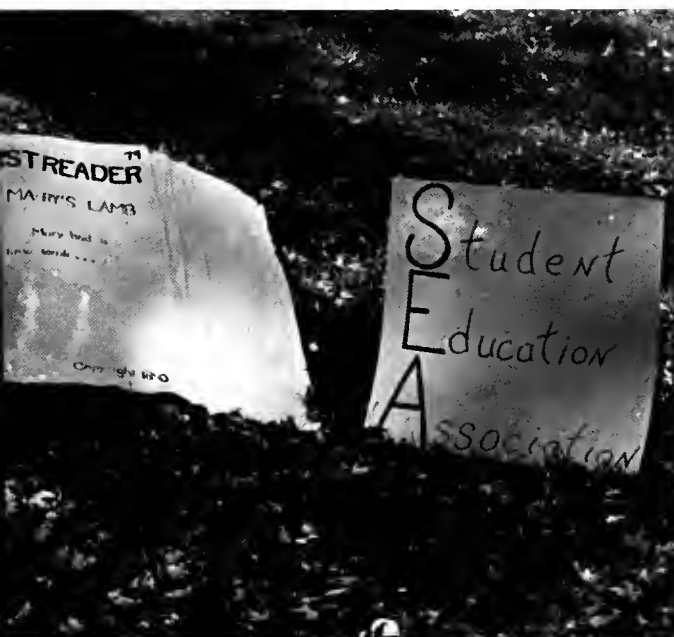

teacher's rights. A panel of women from various backgrounds told something of their lives and how prejudice had affected them. Student teachers from MC discussed the actual problems they encountered in the classrooms. SEA members also attended state and regional meetings in which they studied problems which would affect their teaching career.

Circle K

Circle K had many money-making activities to help with its service activities. Apples were sold at the home football games and the profits were given to the Ernie Davis Leukemia Fund of the American Cancer Society. They helped coordinate and operate concessions at home athletic events. Members of Circle K went to Timbercrest Home to provide companionship and entertainment for the residents. They also traveled to Logansport to assist the Mental Health Club with its parties for the patients at the mental hospital there. This year has seen two record breaking blood drives plus the innovation of having the blood mobile come on campus for the first time.

Community Faith In Action

Community Faith in Action is the program designed to announce and affirm the importance of individuals and to meet them at the place of their searchings. To this end, CFA provides Sunday Celebrations, a tutoring program, a coffeehouse program, a Packerton project, encounter experiences, CROP drives, deputations to local churches, and personal and group counseling.

Community Council

The Community Council is an elected body representing faculty, staff and students. Its responsibilities lie in financial support and in policy making. Financially the Council backs the CFA, *Aurora*, *Oak Leaves*, *Spectrum*, Student Directory, Cheerleaders, and the soccer team. Money is also provided for student participation in off-campus activities and in public forums.

This year in the area of policy making C.C. dealt with student rights, women's hours, visitation, and student representatives on faculty committees.

FACES

A. Blair Helman
President of the College

Dr. A. Blair Helman conscientiously assumes the duties of guiding and directing the program of the college. President Helman has proven his dedication and executive skill by exhibiting sincere interest in the general welfare of the student body.

In his fourteenth year as President of the college, Dr. Helman maintains active membership in various educational organizations. He is a member of the Personnel Committee and Policy Board of the Department of Higher Education of the National Council of Churches, the Board of Directors of the Central States College Association, the Committee on Higher Education of the Church of the Brethren, and the President's Advisory Committee of the National Association of Intercollegiate Athletics.

President Helman serves as Vice Chairman of the Commission of Religion in Higher Education, Association of American Colleges; Vice President, Board of Directors, Associated Colleges of Indiana. He was one of twenty-five college presidents to attend Dr. Earl McGrath's seventh annual Conference of Liberal Arts College Presidents, and during March he was a member of the Participation Seminar and Field Study of "Educational Contrasts Around the World."

Administrative Faculty Provides

Public Relations, whose function is shaped by Jim Garber (*pictured right*), works to interpret and explain what is "happening" at MC. Of the four million dollar budget of MC, students pay only 70% of the costs and Public Relations seeks contributions for the remaining sum. Mr. Garber also contacts alumni to inform them of building programs and to raise funds.

Under the general direction of President Helman, David Yeatter (*pictured left*) has the responsibility of handling the financial and business matters of the college. Investing of permanent funds and an overall planning and maintenance of buildings fall under the Treasurer's jurisdiction. The college has just come to the end of a building and remodeling program and is now formulating new plans for another major period of development.

Humanities

Dr. Paul W. Keller, Division Chairman

New and exciting programs have been planned for interim and extensive use of the close circuit television has been made in the Humanities cores. Several teachers combined their talents in their own specialized fields to give students a variety of related subjects in the individual cores. Eight rooms in the Ad Building and Communications Building have been equipped with closed circuit televisions to teach the Humanities classes.

The English Department has made use of the professor exchange program, inviting professors from other colleges to speak on special topics. During interim Literature and Art became a new course in the department's curriculum.

A new kiln in the Art Department has made it possible to increase the amount of work done during a course's duration. Interim brought about a new course, Ceramics.

Spanish reached a new level this year as the Foreign Language Department added a new course to its schedule, Advanced Conversation and Composition. The Art Department's Mexican Archaeological trip had language overtones as students came into contact with Spanish culture.

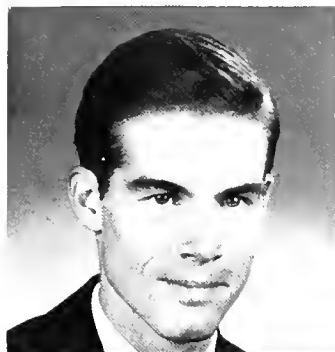

The Music Department and Speech and Drama Department worked together to make interim a cultural saturation period. Students traveled to New York to attend plays, concerts, operas, ballets, and theaters. Students in Speech and Drama worked on the production of tapes for the Humanities cores. A new addition to Winger Recital Hall was a pipe organ, a memorial gift to the college from the Peabody Estate, which increased the repertoire of study for keyboard students. Interim programs included studies on instrumental music forms, studies in jazz arrangements, and a continuance of private lessons.

The Religion and Philosophy Department reduced its graduation requirements this year to give its majors a greater choice in their educational backgrounds. The department planned a film study course to make students "cinemate" and had further study plans on the present day Church.

Natural Sciences

Dr. Harry S. Weimer, Division Chairman

The Science Division has been restructured in many aspects to meet the requirements of students with different educational backgrounds. Though quantum theories and *Euglena* stay the same, students attended new classes with different structures. The 4-1-4 program allowed intensified and expanded course work to be possible.

Perhaps one of the greatest contributions to the division and to the campus as a whole has been the 1130 IBM computer which has led to a course in computer programming under the auspices of the Science Division. The newly formed Science cores also have time allotted for the teaching of computer programming basics.

The physics lab has been modernized so that laboratory techniques have become more precise with electronic devices. In physics the courses have been outlined so that the student enters the course for which he is qualified. Under the Math Department the student used a self-study guide to prepare himself for advanced work.

A revision in introductory courses now has the non-science major meeting requirements through a science core which unifies biology, physics, chemistry, and some earth sciences. The cores are two term courses giving the student a large base of knowledge in science and are taught by a staff of science faculty.

Interim programs have slowly grown as the college adjusts to the new program. A study of marine biology in Florida has been undertaken, Qualitative Organic Chemistry and Advanced Analytical Chemistry was offered in chemistry, and Astronomy was an interim course in physics.

Social Sciences

Dr. David A. Waas, Division Chairman

The social sciences educate one about himself and his surroundings and this year have expanded in many areas. A social science core has been initiated in which the departments integrated and more actual experience has been outlined for the social science student in his education.

The Economics Department initiated a program of accounting internships in which students were placed in real business situations. New introductory courses were scheduled for students who were still determining their interests. The new 1130 IBM Computer was an aid to the Economics Department.

Interim was of benefit to the Psychology Department in many aspects. Students went in groups to clinical centers in Indianapolis and Ft. Wayne to obtain first-hand experiences in dealing with exceptional children and abnormal behavior. Further studies were programmed in a student initiated course in Chicago in which students participated in group dynamics. More intensified study was planned for students in their first year of psychology in the new course Psychological Approaches to Behavior. New equipment included devices for testing animal responses.

With an enlarged staff the Sociology Department has branched out in opportunities. The interim program provided a field study where students were placed in settings in which they obtained knowledge of the different social impacts brought about in different social environments. Many areas surrounding M.C. were used for these placements.

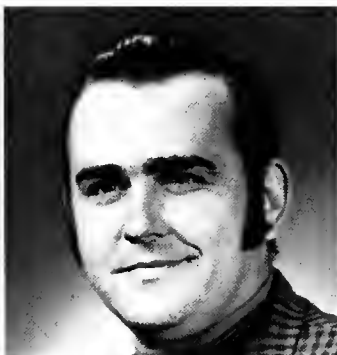

The Political Science and History Department elected two students to represent the student's view to the department's curriculum discussions. Interim courses were varied in the Political Science and History Department. Students studied political processes and government in Washington, D.C., and at the United Nations in New York City. New courses included Calvin and Luther and African History in the Afro-American studies; future plans for the coming year revolve around Christmas in Kaduna.

Practical Arts and Letters

Dr. Howard A. Book, Division Chairman

The Practical Arts and Letters Division planned many programs in which students were put into actual experience of their chosen field. This gave a student a chance to determine whether he has chosen the correct field of study. In Home Economics and Physical Education the interim schedule has proven to be conducive to this first-hand study.

The Physical Education offerings during interim allowed students the opportunity of working in the Veteran's Hospital at Marion in physical or recreational therapy under the supervision of professionally trained individuals. Students were able to determine for themselves the strength of their vocational interests in these fields. Further change was made in the department through combined teaching of some classes which gave students expanded points of view.

Students of Home Economics had an opportunity to work with dieticians at hospitals in Ft. Wayne. They have had a first-hand experience of the dietician's work by working a 36 hour week under professional guidance.

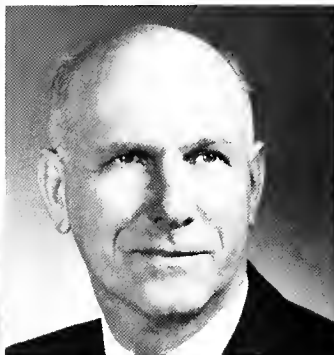

Urban Education was an interim offering in Ft. Wayne and Chicago of the Education Department. Video tapes were used during student teaching which allowed student teachers to view their errors. Education courses were integrated to give the student a more efficient and compact unit. The Education Department has provided the future teacher with many challenging situations to test his skills.
